

Practical Information

The Organizing Committee wants to give you some practical information.

Diffsanchez 70 workshop main site: Faculdade de Ciências da Universidade de Lisboa (FCUL)

- Ciências campus map, at the **end of book of abstracts**, or at **website**, will help you to localize different places.
- All sessions take place at the building C6 (see Ciências campus map at website or at the end of book of abstracts).
- Plenary lectures will take place at room 6.1.36 at the ground floor.
- Invited and contributed lectures are organised in two parallel blocks. They will take place at two close rooms, room 6.2.49 and room 6.2.50, at the first floor.
- Coffee breaks area planned in the morning and afternoon periods, at the first floor near rooms 6.2.49 and 6.2.50.
- There are several places for lunch at the university campus (see map) (meal price 5 -10 EUR).
- As wireless network, you can obviously use *eduroam*.

Celebration dinner

- The Celebration dinner is planned on Thursday, 5/09, at Salão Nobre do Instituto Superior de Economia e Gestão da Universidade de Lisboa (ISEG).
- It will begin with a Welcome Drink at Terraço of ISEG, at 19:30.

The **Welcome Drink** will take place at the **Terraço of ISEG**, at the building called Novo Quelhas, and the **Dinner at Salão Nobre at the building Quelhas 6, floor 4.**

The official address of ISEG is Rua do Quelhas, 6. However, we can approach ISEG by different streets:

- If you go by public transports (metro - yellow line, for instance - or taxi), the best reference is to use as address **Rua das Francesinhas**, to arrive at ISEG. Indicative arrows will guide you to the Terraço where the Welcome Drink takes place.

By metro, you can use yellow line and go out at station RATO. Then, you can walk 10 - 12 minutes and, after passing the Assembleia da República (Parliament building) you will find ISEG at **Rua das Francesinhas**.

- If you go by car, parking in ISEG Quelhas will be allowed. In that case, you should access the parking by **Rua Miguel Lupi** (just inform the guard that you are a participant of *Diffsanchez 70* Dinner). Indications will guide you to the Terraço where the Welcome Drink takes place.

Remember:

- Posters and indicative arrows will help you to find the location of different places and rooms where actions occur, both at Faculdade de Ciências and ISEG.
